5.2 **UNIVERSITY MISSION AND TRUSTEES COMMITTEE** - reported by Mr. Robert Wheeler

A fair amount of time was spent discussing with the new committee members the role of the committee and how it conducted its business. As the board strives to increase its membership to 39 members, board members were encouraged to provide the names of individuals who they feel are committed to the school, who are willing to take the time to be part of this board and who have an openness to be formed in the Lasallian spirit. A recommendation was brought forth by Mr. Bernie Wagnild to give trustee emeriti status to former board chair and former board member, Loras (Red) Sieve. (Official Resolutions 3.4) The committee felt that the board should once again engage in a self-assessment. It was also strongly felt that the board would benefit from an overnight retreat with an outside facilitator sometime this summer. Details as to the time, date, venue and structure of the retreat will be forthcoming at the February meeting.

5.3 **UNIVERSITY RELATIONS COMMITTEE** – reported by Mr. Michael Gostomski

It was reported that the RAC was used as a designated Red Cross shelter during the flood and that Saint Mary's community participated in a variety of ways in the flood relief effort. There are 1,061 students currently living in the residence halls this semester and the Facilities committee has discussed the possibility of another residence hall if enrollment continues to increase. Alcohol and drug policies were re-written during the summer with major changes including the re-instituting of fines, earlier contact with parents and the strengthening of educational sessions.
